Re: Application 10/727,967 - Curtiss Mitchell Austin - Docket Austin001
Office Communication dated 11-14-2005

Claims 1-13 were determined to be subject to restriction. In the referenced, corrected office communication, I was directed to elect either selection I or II - I hereby select II (claims 8-13).

I was further directed to elect a single disclosed species among six presented. I hereby elect Species I (Figs. 2-6). I believe I must also provide a listing of all claims readable thereon; Claim 8 is the sole member of this list.

Please call 800 595 3481 should you have questions, or email curt@austinimage.com.

Note that my address has changed (see below).
